An act to amend Section 51225.3 of the Education Code, relating to high school curriculum.

LEGISLATIVE COUNSEL'S DIGEST

SB 520, as amended, Pavley. High school curriculum: ~~volunteer~~ *community service*.

Existing law sets forth the courses a pupil is required to complete while in grades 9 to 12, inclusive, in order to graduate from high school and authorizes the governing board of a school district to specify by rule other required coursework.

This bill would authorize the governing board of a school district to offer one credit towards the required number of credits required for graduation from high school for each 12 hours of ~~volunteer~~ *community service* provided outside of regular school hours by a pupil, up to a maximum of 5 credits per pupil per semester, and for a maximum of 2 semesters. The bill would require a school district that elects to offer credit for ~~volunteer~~ *community service* to establish and maintain a list of suitable ~~volunteer~~ *community service* organizations from which a pupil would be required to choose to complete the ~~volunteer~~ *community service* hours. The bill also would require a school district to require the pupil to submit a report on the ~~volunteer~~ *community service*

experience and the ~~volunteer organizations~~ community service organization to verify the hours served by the pupil.
